

It's **BOOK CLUB** time!

**Welcome back to the
Johnson County Senior Center**

Book Club!

We hope you will join us on the ~~first~~^{last} Monday of each month.

**A Book Club Kickoff Event will be held on
Monday July 12 at 12:30 noon.**

Since COVID disrupted our lives this past year, let's close that chapter and open a new one together and spend time getting acquainted again.

We'll discuss special trips and other outing you might be interested in after we finish a book.

Join us and celebrate this special occasion on July 12 and begin reading words together that tell a story that can completely transform you to another world.

Invite a friend to join us....we are open to new ones!
But remember "there is no friend as loyal as a book" said Ernest Hemingway.

The Senior Center Book Club is under the leadership of Ms. JoAnn Main.
We are so excited to see you and start a new chapter.

Book list attached for the remainder of the year. If you need a copy of the book, please call the Johnson County Public Library at 727-6544 or the Senior Center at 727-8883.
